

## Application form

---

Our annual *Governor focus* showcase highlights the work undertaken by councils of governors across the country. Feedback from governors and trust staff shows that it enables the exchange of creative ideas and good practice and is a great opportunity for engaging peers, facilitating discussions and networking. For the finalists presenting it also raises the trusts' profile and demonstrates how they are supporting their governors.

We would like to hear about what your council of governors is most proud of. Engaging with members and the public is always a hot topic, as is developing good relationships with the trust board, but any of the statutory duties can be selected.

This year the winning showcases will be presented as a video illustrations during the conference.

<b>Trust name</b>	
<b>Named point of contact</b>	
<b>Telephone</b>	
<b>Email</b>	
<b>Showcase title</b> <i>(eg, Meaningful engagement – Hearing what really matters)</i>	

Please continue to the following page...

## Please provide details of your application

We will use the details below to shortlist applications. If you are selected as a finalist, we will use this submission to summarise and create video content for your showcase. Include actual outputs and quantifiable figures where possible, and attach any supporting material such as outputs and visuals as part of your submission.

Please keep to a maximum of 400 words, and consider these three points when submitting:

- 1** What you were trying to achieve.
- 2** What the council of governors did and how you went about it.
- 3** What were the benefits and outcomes for your trust, patients and service users, carers, staff and the wider community? Please be as specific as you can. For example, in engaging members and the public, include how many responses you received, how many members recruited, and so forth.
