

NHS Providers' strategic triangle

Our vision and mission describe our aims for the organisation

Our strategy

Our four-year strategy describes how we will respond to the external environment in support of members with a focus on NHS reputation, trusts in systems and addressing inequalities

Our strategic objectives

Our four strategic objectives help organise our work and stand for the medium to long term

Our priorities in 2023/24

Supporting improvement and peer learning

Member engagement

Supporting provider collaboration at scale and at place

Our *immediate priorities* for members this year, underpinned by our influencing priorities

24 Shaping NHS debate before a general election

Resolution to industrial action

Our values

Our principles and behaviours – the way we agree to work together
