

11 July 2024

#MNDnetwork

12:30 – 15:00 hosted on MS Teams

Agenda

12:15 - 12:30

1. Waiting room available

The event platform will be available from 12:15, and delegates are encouraged to join the waiting room during this window, to enable the event to start promptly at 12:30.

12:30 – 12:35

2. Welcome and introductions

Diane Sarkar, Chief Nursing Officer, Mid and South Essex NHS Foundation Trust

Dr Vivek Patil, Deputy Chief Medical Officer, Sussex Community NHS Foundation Trust

12:35 – 13:25

3. Strategic policy update

A presentation from NHS Providers on strategic policy issues and developments, sharing analysis on what these may mean for the provider sector, followed by an opportunity for Q&A.

Sir Julian Hartley, Chief Executive, NHS Providers

13:25 – 13:35

4. Comfort break

13:35 – 14:20

5. Managing deterioration as a board priority

This session will look at managing acute deterioration at board level and adopting an integrated systems approach to managing acute deterioration in local populations. Jane will also share insights

from the work of the Worry and Concern Improvement Collaborative, including lessons learned from Call 4 Concern ahead of the implementation of Martha's Rule

Jane Murkin, Deputy Director Safety & Improvement – Nursing, NHS England

14:20 – 15:00

6. Turning data into information for improvement

NHS England will lead a session on how boards can make better use of their data to target improvement efforts; exploring the value of looking at data over time in order to understand early warning signs in trusts. The role of statistical process control in better understanding variation in quality, performance and other outcomes will also be discussed, with an opportunity for members to ask questions about using data for improvement.

Karen Hayllar, Senior Lead, Making Data Count, NHS England

15:00

7. Closing comments

Dr Vivek Patil and Diane Sarkar
